

RESIDENT ENGAGEMENT

Have Your Voice Heard: Your voice matters to us. Your direct experience living in your home offers an expert perspective of the impact our services have.

Improve Our Services: By sharing your experience, we can begin to understand directly what real improvements to our services look like.

Shape Policy and Strategy: RESP has a major influence over strategic decisions at WPH.

Promote Accountability and Transparency: Scrutinising our services ensures you hold us accountable and responsible.

Develop New Skills: Foster skills in communication, problem-solving, project planning, amongst other vital skills.

Meet New People: Engagement opportunities will promote connections across our communities.

HOW TO JOIN

We're looking for passionate residents to join RESP, working with staff and residents to make meaningful improvements to our services and providing feedback to be heard at Board meetings. Getting involved in RESP is an opportunity for you to directly scrutinise our operations and strategic decisions, helping to make changes to the future of our services, homes, and communities.

If you are interested in joining RESP, we want to hear from you. Please complete the application form and return this to feedback@womenspioneer.co.uk
